

Powerful imagination in everyone!

SONG LYRICS!

CLAP YOUR HANDS

Clap, clap, clap your hands
Come on
Clap, clap, clap your hands

Clapping my hands, imitating the beat
With the music turned on, I get off my seat

I hear the music and I stomp my feet
Clapping my hands, imitating the beat

Come on
Clap, clap, clap your hands
Come on
Clap, clap, clap your hands
Everybody
Clap, clap, clap your hands

All right, everybody
Three times now
Clap your hands
Come on (clap, clap, clap)

Clap, clap, clap your hands

And, one, two, three, and four
Imitating all the beats
That I heard before
Clapping my hands, as I stomp the floor
And I clap my hands, as I count to four

And one (clap)
Two (clap, clap)
Three (clap, clap, clap)
Gimme Four (clap, clap, clap, clap)

And I'm clapping my hands, imitating the beat
With the music turned on, I get off my seat

I hear the music and I stomp my feet
Clapping my hands, imitating the beat

Come on
Clap, clap, clap your hands
Come on
Clap, clap, clap your hands

Clapping my hands, imitating the beat
All right everybody
Come on now and clap your hands
Come on
Come on now and clap your hands...
