SONG LYRICS!

SWINGING

I'm swingin'
I'm swingin'
Having fun swinging all day long
Yes, I'm swingin'
I'm swingin'
I'm just swinging as I'm singing my song
I'm swinging and-a-singing along

When I'm swinging back and forth as I play all day
I love to feel it with my eyes closed
Feeling funny in my tummy is my favorite way
To experience the highs and the lows

CHORUS

I'm swingin'
I'm swingin'
Having fun swinging all day long
Yes, I'm swingin'
I'm swingin'
I'm just swinging as I'm singing my song
I'm swinging and-a-singing along

When I'm swinging forward, I kick my legs out
And going back I pull them in
I swing through the bottom, then up to the top
And then swing back down again.

When I'm way up high, above the ground
There's something thing I must confess
I love it when I'm right about to swing back down
It feels like I'm weightless
Swinging weightless

I like to swing all by myself, or swing beside a friend
It's perfect on a sunny afternoon
Like swinging through the jungle
Or whatever I pretend
At night I swing under the moon

CHORUS
